INSTRUCTIONS TO PATIENTS

1. An examination appointment is usually necessary to determine the extent of surgery or treatment
2. Please call the office of your choice for first appointment
3. If you have had recent x-rays of the surgical area, please bring them with you or have your dentist send them to us prior to examination. A screening film may also be taken at our office.
4. An estimate of professional surgical fees is given only after the examination. All fees are payable at the time of surgery unless other financial arrangements have been made in advance.
5. Minors must be accompanied by a parent or guardian.
6. Please bring pertinent insurance information with you to your first appointment
7. Please bring this form with you to your first appointment
